Hi everyone!

I hope this note finds everyone in good health and you had an Easter holiday that was terrific. Now that tax season is over and most of us have a little lighter wallet, I am writing to let you know that I am thinking about expanding the calendar to include a mid month newsletter. The calendar will come out for the 1st of the month and the newsletter will come out around the 15th. This way, we can keep up with the plans for the coming month and be on top of anything good after the calendar has been published.

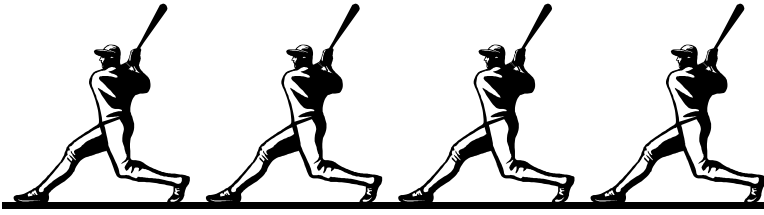

I will need your help with news and other information to be included. We can even do birthdays, anniversaries, get well wishes, and other events as we deem important for the Seniors to know. Also, please let me know if anyone needs to be added to the mailing list. The more people we have in the loop, the stronger the group becomes.

Berlin Fire Co. Ladies hoagie sale this Saturday 10:00AM at the Fire House. **Two important dates:** On May 7th the Freeholders are sponsoring Senior Day, a free outing to the River Sharks Baseball Stadium which includes a hot dog and a soft drink. *See the new flyer!*

On May 12th there will be a Casino bus trip to Bensalem. Cost is \$12.00 but you get \$13.00 at the Casino. Sounds like instant profit to me! Here's the catch, Dottie needs 40 people. So check your calendar and sign up!

As the newsletter matures, *no pun intended*, we no doubt will change the form from a letter form to bulletin. Bear with me as I too am new at this, but plan to make your newsletter informative, fun, and of course, *first class*. You are now able to view your newsletter and calendar on my website; go to www.CostantinoFH.com and select the tab on the left side of the screen, BERLIN SENIORS. Soon I will have a link on the Boro's web site so everyone interested can be informed.

The best way to forward information will be by email. I am working with Dottie to expand her email expertise. I prefer to have her as the contact point but you can always email me at vick30@comcast.net or call me at the funeral home 768-0688. I did not forget to list some good deals around town. I am working with our business people in Berlin to see who is interested and will keep you posted as I work things out. God Bless! *Vic*
