A letter from Larry Gorin of Berlin Chrysler is enclosed. The Gorin family has been a great supporter of Berlin Boro & Berlin Twp. over the years. I feel they are getting a bad deal from Chrysler (oh, by the way, how many billions did we, the tax payers, give Chrysler for a bail out?) I would like to see some of our Seniors get bailed out one in a while. Sorry for the dissertation. Maybe I can show our President how to show a profit, I doubt he is interested in my opinion!

Memorial Day was a big success for the VFW. We need to support this endeavor in a greater fashion next year. More to come on that.....

The calendar is available online at CostantinoFH.com, click on the Berlin Seniors tab on the left side, bottom.
